

Aspects of the Goldhagen Debate

Central to this debate is Daniel Goldhagen's work *Hitler's Willing Executioners: Ordinary Germans and the Holocaust* (New York: Knopf, 1996). This work was written in reply to Christopher Browning's earlier book *Ordinary Men: Reserve Police Battalion 101 and the Final Solution in Poland* (New York: HarperPerennial, 1992). Browning's immediate response to *Hitler's Willing Executioners* can be found in Daniel Goldhagen, Christopher Browning and Leon Wieseltier, *The "Willing Executioners"/"Ordinary Men" Debate* (Washington: United States Holocaust Memorial Museum, 1996).
